To ensure you obtain the pre-negotiated best rate mention Mediwatch, use corporate AC# **N2727458**, or click [here](#). Please book early. Room rate includes complimentary airport shuttle, internet access & breakfast.

Workshop Venue

Each course is strictly limited in size to ensure that they are of the highest quality. We must recommend that you make reservations as early as possible to secure your space.

Cancellation:

If you are unable to attend please notify before the deadline date, otherwise you will be subject to a \$150 fee. Cancellations from the 1st day of the course onwards will be charged the full fee. Mediwatch reserves the right to cancel the course for circumstances beyond our control. In such a case the only refund is the course fee.

**Providing Complete Pelvic
Floor Diagnostic Solutions**

**Mediwatch Training &
Certification Programs**

**Basic Urodynamics
Clinicians'
Workshop**

www.mediwatch.com

Urodynamics is the gold-standard test for voiding dysfunction

If you're not performing it:

- Are you providing your patients with a complete service?
- Do you have to send them elsewhere to get vital information?
- Would you like to add urodynamics to your practice?

If you are performing it:

- Do you have new staff?
- Could a refresher course enhance your clinical approach?
- Are you up to date with the latest equipment?

Mediwatch offers courses that will enable you to include urodynamics in your practice with confidence.

Who should attend:

- Clinicians with little or no experience in urodynamics
- Experienced Clinicians desiring to learn new techniques
- Any medical professional or medical technician with a desire to learn the clinical applications for urodynamics
- Physicians or Directors of practices or new urodynamic labs

Workshop dates:

We run workshops every 1-2 months. Please check our website for a registration form with the most up-to-date schedule.

Example Schedule for Basic Urodynamics Clinicians' Workshop:

Day One:

8:00 - 8:30 am - Registration
